CONGRATULATIONS MR HAMILTON KATSVAIRO

The Vice Chancellor of Marondera University of Agricultural Sciences and Technology (MUAST), Professor Justice Nyamangara, Executives, Senate, Staff and community are thrilled to congratulate Mr. Hamilton Katsvairo on his appointment as a Team Leader at Centre for AI and Digital Policy, USA.

Mr. Katsvairo is an Artificial Intelligence (AI) Policy Researcher, Educator, and Practitioner at MUAST. He contributes to strategies that drive digital transformation, close the digital divide, and support national skills development. He views AI not only for its technical applications but as a strategic tool for governments to make data-driven decisions, improve efficiency, and expand access to opportunities for citizens. His qualifications include a Master of Big Data Analytics, a Master of Business Intelligence, and several certifications in Artificial Intelligence, Machine Learning, and Data Science.

His appointment not only reflects personal excellence but also signals a powerful step forward for Zimbabwean representation in global tech governance. As AI continues to redefine the future of governance, education, and development, Mr. Katsvairo's leadership at CAIDP will undoubtedly contribute to meaningful policy frameworks that uphold democratic values and technological equity.

The MUAST community celebrates this milestone and looks forward to the transformative impact he will bring to the Centre and the broader AI ecosystem.

MAKOROKOTO! AMHLOPE! CONGRATULATIONS!
